

SECTION D.
GEOGRAPHIC AREA SERVED

CERTIFICATE OF CONVENIENCE AND NECESSITY

To Provide Water Service Under Texas Water Code
and Public Utility Commission Substantive Rules

Certificate No. 11263

I. Certificate Holder:

Little Hope-Moore Water Supply Corporation
150 FM 16
Canton, Texas 75103

II. General Description and Location of Service Area:

The central area covered by this certificate is located approximately four (4) miles east of Canton, Texas on US Highway 64. The service area is generally bounded on the east by Ben Wheeler, Texas, on the south by FM 2909, on the west by Canton, Texas and on the north by I20.

III. Certificate Maps:

The certificate holder is authorized to provide water service in the area identified on the Commission's official service area map, WRS-255, maintained in the offices of the Public Utility Commission, Austin, Texas with all attendant privileges and obligations.

This certificate is issued under Application No. 30999-C and subject to the rules and orders of the Commission, the laws of the State of Texas; conditions contained herein and may be revoked for violations thereof. The certificate is valid until amended or revoked by the Commission.

Issued Dated: November 1, 1979

Approved Oct. 26, 2020

Public Utility Commission of Texas

By These Presents Be It Known To All That

LITTLE HOPE-MOORE WATER SUPPLY CORPORATION

having duly applied for certification to provide water utility service for the convenience and necessity of the public, and it having been determined by this Commission that the public convenience and necessity would in fact be advanced by the provision of such service by this Applicant, is entitled to and is hereby granted this

Certificate of Convenience and Necessity

numbered 11265, to provide water utility service to that service area or those service areas designated by final Order or Orders duly entered by this Commission, which Order or Orders are on file at the Commission offices in Austin, Texas; and are matters of official record available for public inspection;

and be it known further that these presents do evidence the authority and the duty of this Grantee to provide such utility service in accordance with the laws of this State and the Rules of this Commission, subject only to any power and responsibility of this Commission to revoke or amend this Certificate in whole or in part upon a subsequent showing that the public convenience and necessity would be better served thereby.

Issued at Austin, Texas, this 1st day of November, 1979.

Philip F. Ricketts
